

MARSHALL PLAN SCHOLARSHIP for JKU students going to the U.S. and U.S. students coming to JKU (on-site period abroad)

Application requirements:

- Status as full time student (with at least one successfully completed semester at the home university). Applicants must remain enrolled as students at the home university during the entire research period.
- Research assignment in **science and engineering**

Scholarship duration:

- At least 3 months (please note visa regulations!)

Grant amount:

- EUR 4000 to 10000

Please note that the Marshall Plan Scholarship will most likely not cover all your expenses. You will have to take care for other or private funding if necessary!

Application documents (in pdf except application form):

- [Application form](#) (signed and confirmed original document)
- Research Proposal (please **save in one pdf-document**):
 - Letter of Motivation (max. 2 pages)
 - Curriculum vitae in tabular format
 - Project description (min 1500, max. 2500 words):
 - Title of Research Project
 - Name of Supervisor at both Home and Host University
 - Short Description of Research Agenda
 - General Goals
 - Detailed Description of Research Problem
 - Methodological Considerations
 - Workflow
 - Relevance and Expected Results
 - List of publications and lectures (optional)
 - Recommendation letter(s) (optional)
- Copy of passport photo page
- Transcript of Academic Records
- Confirmation of full-time student status from home university / enrollment at home university
- Confirmation from host university's project leader / supervisor regarding admittance for research and status at host university (incl. planned dates of research period)

Application deadline(s):

- no later than **March 15** for research stay to begin in August at the earliest
- no later than **October 15** for research stay to begin in February at the earliest

JKU and U.S. students please submit application to:

Johannes Kepler University Linz
International Office / Auslandsbüro
Altenberger Straße 69
A-4040 Linz

Mr. Thomas Mahringer
Tel.: +43 732 2468 ext. 3291, Fax ext. 3294
Email: thomas.mahringer@jku.at

Important notes:

(In parts excerpted from recent agreements between the Austrian Marshall Plan Foundation and awardees)

1) The awardee is responsible to duly apply for a visa.

- Information for US students:
 - <https://oead.at/en/to-austria/entry-and-residence/>
 - Austrian Representations:
<https://www.bmeia.gv.at/en/embassies-consulates/search-for-austrian-representations/>
- Information for JKU students applying for a J-1 visa:
 - <https://at.usembassy.gov/visas/nonimmigrant-visas/>
 - <https://j1visa.state.gov/>

Please note that the term „program sponsor“ means your host institution/university and not the grant awarding institution or financial backer. The program sponsor/host institution issues the Form DS-2019.

(The Form DS-2019 or "Certificate of Eligibility for Exchange Visitor (J-1) Status" is the basic document used in the administration of the exchange visitor program. Excerpt from the above mentioned website)

2) The awardee will have to sign a research assignment agreement with the Austrian Marshall Plan Foundation and will have to furnish proof of having taken out adequate travel, health and accident insurance incl. a return and transfer transport guarantee and adequate third-party liability insurance before the start of the research period abroad otherwise the scholarship cannot be released.

3) Payment will usually be made in two installments with the first to the amount of 80% due before the beginning and 20% upon completion of research period and approval of the written documentation.

4) Documents to be submitted to JKU International Office within 3 months after the research period abroad:

- **Confirmation signed by host institution supervisor:** exact duration (from ddmmyy to ddmmyy) of research period abroad
- **Confirmation of home institution supervisor** regarding successful completion/outcome of research period abroad
- **PDF: Field report** (max. 2 pages) using the following obligatory scheme (will be published by Foundation!):
 - General impression of research period abroad
 - Quality of the host institution
 - Contacts within host institution / integration in the organization
 - Recommendations for future Marshall Plan Students
- **PDF: Final (research) report** (min 7500 words excl. front page, table of contents and references/testimonials (title/topic must correspond to application project title/topic!))
- **PDF: Copy of flight tickets**

Please note: **The research report will be published by the Marshall Plan Foundation** on its website and/or within an appropriate event. This **may be adjourned** e.g. if research findings will be published in/as a scientific paper.

Further documentation with requested retention period

- a) **up to 3 years:** statements of awardee and home university supervisor (official department letter)
- b) **more than 3 years:** as in para. a) + report summary (1000 words excl. front page/contents/references) to be meanwhile published on the foundation's website

Further important information and details: <https://www.marshallplan.at/discover/the-marshall-plan-scholarships>
